Star of the Quarter

Shout-out to Jessica! Her actions and attitude truly reflect the PEACE values we strive to uphold every day. We appreciate all that you do!

A FEW WORDS FROM US:

Welcome to the first edition of our quarterly newsletter! We wanted to create a space to celebrate our team, highlight the values that shape what we do, and keep everyone informed. This newsletter will be something you can look forward to each quarter as we recognize achievements, share lessons, and stay connected.

At Harmony House, our PEACE values—Positivity, Encouragement, Advocacy, Compassion, and Equality—guide everything we do. They shape how we care for others, support one another, and create a respectful and welcoming environment.

Star of the Quarter

Shout-out to MBH for being such a bright presence here at Harmony House! She is always willing to help both her peers and staff whenever needed, and her constant smile truly lights up the room.

Value of the Quarter: Compassion

Compassion is at the heart of everything we do. It means taking the time to understand others, showing kindness in our actions, and offering support when it's needed most. Whether it's through a small gesture or going the extra mile, compassion helps create a safe, respectful, and caring environment for everyone at Harmony House.

Value Lesson: Compassion

Compassion is the ability to recognize when someone may be struggling and choosing to respond with care and understanding. In our roles, this means being aware of not just what someone is saying, but how they may be feeling.

Practicing compassion involves slowing down, listening without judgment, and responding with patience. It may look like offering reassurance, giving someone extra time, or simply being present in the moment.

When we consistently practice compassion, we help build trust and create an environment where individuals feel safe, respected, and valued. Over time, these small, intentional actions shape the quality of care we provide.

“Too often we underestimate the power of a touch, a smile, a kind word, a listening ear... all of which have the potential to turn a life around.”

— Leo Buscaglia

What's New at Harmony House

Be sure to check out our updated website for important information, helpful resources, and new recognition forms for both staff and individuals. It's a great place to stay informed and connected with what's happening at Harmony House.

Coming Up: Staff will be completing **Tools of Choice** training. This training is an important part of supporting safe, respectful, and effective interactions. Please be prepared to complete this as scheduled.

Our **PEACE** values are what set us apart. Staying engaged with these principles each day helps us create a supportive, respectful, and positive environment for everyone.

Heads Up & Reminders

- As a reminder, on-call is reserved for emergency situations only. For all non-emergency communication, please use SCOMM to help keep communication clear and organized.
